

Boy Scout Troop 442

April 15, 2013

- Call to Order
  - Patrol Roll Call
  - Uniform inspection—Scout Handbook only
- Spring Camporee-There are some competitions that we need to practice for. Here are some of them: Egg drop, Rocket launch, Paper airplane competition, Water balloon launch, and Catapult.
- I have a list of supplies we need for the catapult for all the Scouts who want to help out.
- Egg drop- We need some ideas for soft materials, and I have some ideas.
- Compressed air Rocket launch- Tonight we can decorate the rocket with markers.
- Paper airplane competition- We need to figure out a design that will fly the longest and most accurately.
- Announcements:
  - This weekend is Trash Cleanup. We will meet at the commuter lot at I-44 and Hwy 50. After we clean our Adopt-a-Highway we have the Special Road District clean-up which we will have maps and directions for that after the regular clean-up.
  - Camporee is April 26-28. **The regular meetings before activities are mandatory attendance if you're planning to go on the activity.** That means you MUST be at next week's meeting if you're going to Camporee.
  - Merit Badge University opportunities. There's a Citizenship in the Nation MB skill center in St. Louis at the old Court House on July 2. I have flyers for this. Just ask and I'll let you see what I have.
  - Who is ready for us to get Mr. Kleekamp back to finish up the Fishing merit badge? This probably won't happen until middle or late May so there is still time to catch, clean, and cook a fish before we are done.

Scoutmaster Minute:

- Closing Ceremony
  - Scout Oath, Law, Slogan, and Motto
